### Parking and accommodation location

**Stone Croft and Fern Crag:** From Hartwith Bank, turn into the drive marked 'Private', which is approx. 50 yards **below** Helme Pasture farmhouse. Follow this drive for approx. 75 yards and then turn right through a wooden gate towards Fern Crag and Stone Croft which can be seen on the right-hand side of the private drive.

A large gravel parking area, serving both lodges is situated next to the lodges. Access to the specific lodges is signposted on the lodges themselves.

**Farmhouse Studio:** If the Studio booking is part of a larger group booking, parking is as per Stone Croft and Fern Crag. If the Studio is a single booking, parking is in the layby in front of the main farm house, ensuring vehicular access around the rest of the farmhouse is maintained. The entrance to the Studio is through the main farmhouse front door.

**The Byre:** Parking is available in the layby at the side of the Byre, below the wrought iron steps. This parking spot is quite steep, so additional parking is also available behind the main farmhouse, accessed from the short drive leading from the road, immediately above the farmhouse. Entrance to the Byre is via the door nearest the road at the front of the farmhouse.

**The Old Barn:** Parking for the Old Barn is in front of the garage doors, above the wrought iron steps. Additional parking is available at the rear of the main farmhouse, accessed from the short drive leading from the road. The entrance to the Old Barn is via the wrought iron steps at the side of the house next to the garage doors.

### Access to the Accommodation

To make things easier for you, please park up in the relevant parking area **before** getting the key.

The **code** to open the key box for your accommodation will have been given to you within the main email itself.

The **key** for **Fern Crag** and **Stone Croft** can be located within a key safe near to each lodge front door.

The **key** for the **Byre** and the **Studio** will be within an envelope, personally addressed to you in a security box. This security box is located next to the office entrance porch which is at the left hand side of the farmhouse, furthest away from the road.

For the **Studio**, please ring the main farmhouse doorbell. In most circumstances, hopefully Rosemary will be able to meet you on arrival and show you in. If there is no answer, please enter through the main house door and go straight ahead to the back of the hall and turn left into the '**Studio**'.

Please be aware that the **hall is a shared area** so please keep this external door **locked** and **do not** leave your keys in this outer door as no one else will be able to enter. The inner door to the Studio can be locked however you wish.
